

12 COVID LIES

Lie #1 We are facing a novel respiratory pathogen that scientists have no idea how to handle.

Lie #2 This pathogen has caused a pandemic that will cause 5% of Americans to die.

Lie #3 No one has any natural immunity to SARS COV2 because this is a completely novel virus.

Lie #4 This virus emerged by chance through the animal kingdom and not through human engineering.

Lie #5 Lockdowns are necessary so that people can survive this pandemic.

Lie #6 SARS COV2 can be transmitted from one person to another person without any sign of illness (asymptomatically).

Lie #7 Masks put on faces will protect people from transmitting this respiratory virus and cause no harm to people.

Lie #8 Testing everyone with the PCR test as often as possible will allow us to separate the ill from the healthy.

Lie #9 We have no effective treatment for COVID19.

Lie #10 Everyone is at equal risk for COVID19.

Lie #11 The C-19 shot is a “Vaccine”

Lie #12 Vaccines will prevent COVID19, the transmission of COVID19, and are needed for all people. The way to end the pandemic is through vaccines.
